

## **BEST PRACTICES OF THE COLLEGE**

### **PART-B (7.3)**

#### **Best Practice: 01**

##### **1. Title of the Practice: —Awareness on Cleanliness among the Students**

##### **2. Goals:**

- a) The main objective of the practice is to provide basic knowledge about the environmental pollution and cleanliness practice.
- b) To provide basic ideas to cope with the problem.
- c) To make students aware about their social responsibility in terms of cleanliness.
- d) To make the students as an agent to the society for awareness programme about pollution.

##### **3. Context:**

Now days, it becomes a common phenomenon among the masses regarding the issues on cleanliness. The word cleanliness is associated with a number of burning issues faced by the society in particular and nation as a whole which has a close association with the question of environmental issues. In this regard, the affiliating university, (gauhati university) recently make Environmental Study as a compulsory subject in undergraduate level curriculum. With the tremendous growth of industry and urban centres along with growing population deteriorate the present day environment. The situation becomes a global threat to entire human civilization. Hence, the United Nations Organisation takes initiatives to cope with challenges of pollution. Moreover, the issue needs a grass root attention to fulfil the needs of the global network. To face these challenges, cleanliness is utmost necessary to ameliorate the situation. Cleanliness is related with the issues like neat and clean, hygienic environment, health and sanitation etc.. The institution has a good number of students comes from comparatively poor economic background of the society. So it is hard to expect about the concept of cleanliness. Therefore, the institution make cleanliness drive as major practice at the beginning of each academic session to channelized them into a socially responsible agent.

##### **The Practice:**

The khagarijan College make all possible arrangements to make the students aware about the environmental issues and cleanliness. The faculties of the college as well as the Principal frequently meet the students to exchange views on various environmental issues. Moreover, every year the institution organise “World Environmental Day”. Again the faculty sometimes engaged the students within college campus in cleaning programme. In addition to it, the 3<sup>rd</sup> and 4<sup>th</sup> semester students are provided regular classes on environmental study where teachers imparts both lecture and audio-visual classes. Moreover, the coordinator of the EVS Course invites guest faculty to deliver lecture on different issues of environment.

## **5. Evidence of Success:**

Due to the sustained efforts of the faculties and other members of the college, it is observed that the students of the college have become more aware about the importance of cleanliness. It is due to the awareness of the students, the college campus is always remained neat and clean which is praised by all the visitors to the college. Moreover, it is well understood by the students that the cleanliness is a major weapon to resist the environmental problems. It is reflected in their behavioural activities in the college.

## **6. Problems Encountered and Resources Required:**

The students of Khagarijan College are usually very obedient and disciplined in nature. They easily respond to the environmental as well as cleanliness programme organized by the faculties. However, a very few students are there in the college who try to avoid the programme, but it is negligible.

## **Best Practice: 02**

### **1. Title of the Practice: “Monitoring the classes”**

### **2. Goal:**

With the introduction of the Semester System in Under Graduate Course the time space of the interim period in between the admission and examination has become limited. Therefore, it becomes need to complete the course curriculum within the specific time period (Stipulated period). Moreover, some times the student meets the Principal with some class related problems. Therefore, both the Principal and the faculties have realized the necessity of monitoring the classes so that the course curriculum could be completed in stipulated period and classes are regularly held.

### **3. Context:**

Khagarijan College was established in 1972 with some eminent Persons of Nagaon Town aiming at disseminating the higher education among the students of the locality. Therefore, students are the main concern of the college in general and in particular the development of this locality. So far the course curriculum is concerned; the regularity of classes is required. Otherwise, it would not be easy task to complete the course of any subject within the stipulated period. Therefore, the monitoring of the classes is an essential part of the administration.

### **4. The Practice:**

Keeping in mind the responsibility, the principal started the practice of monitoring of the classes on regular basis. He undertakes several rounds in a day during the class are on and ensures that the student do not remain outside of the class room at the time of classes are going on. The faculties are very cooperative and actively participate with the principal. Apart from this, a Monitoring cell is there to monitor the classes is formed every year with a number of teachers to look after the classes. Both the teachers and the Principal interact with the students and try to know the progress of the course curriculum as per the teaching plan.

## **5. Evidence of Success:**

A remarkable outcome has been observed as a consequence of the monitoring practiced by the principal and faculties. The percentage of attendance of the students in the class is increased and teachers also get inspiration to perform their duty fairly. Due to the efforts of the Principal as well as the teachers the performance of the students seems to have become more fruitful.

## **6. Problems encountered and Resources Required:**

Most of the students of the class came from economically weaker section of the society. Some students even come to the college after hard working in their house. Such students sometimes fail to attend their class in time and therefore the respective teachers try to make up the deficit with the arrangement of additional classes.
