6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION AND MISSION OF THE INSTITUTION

Vision

To be a learning institution which is dynamic and seeking excellence in physical, intellectual, ethical and technical empowerment of human resource to meet the challenges of the future?

Mission

To create a democratic academic atmosphere, open up outcome based learning sources for the young and energetic minds and promote value and quality based education for overall development of human resource.

Vision and Mission of the institution are highlighted below:

To provide quality education to the students, a vast majority of which comes from nearby rural areas. The College seeks to equip them with basic undergraduate and postgraduate degrees which are essential qualifications for diverse career options.

Pursuit of educational excellence to help the students bring out the best in them and develop into complete persons.

Attainment of loftier and nobler human goals through sustained intellectual efforts for the teacher and the students.

Instilling a spirit of enquiry, scientific temperament, humanistic values and a sense of responsibility in the student.

Development of the spirit of patriotism, dedication and service.
