

### 3.3.1: **Extension activities carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last year 2022-2023**

#### **EXTENSION ACTIVITIES:**

During the academic year 2022-23, the college has done a number of Extension activities in the neighborhood community to sensitize the students in the most relevant social issues for their holistic development in the college. For conducting extension activities, the college has an Extension Activity Cell, NSS Unit, and simultaneously all the Departments and faculty members of the college. Therefore, this is to declare that the below-mentioned photos and description show the college's active participation in extension activities in different avenues.

## 3.3.1 Report

The Department of English and the Department of Economics Khagarijan College, Nagaon organized an extension activity focusing on 'Health and Hygiene' on 01/03/2023. This event took place in the nearby village of Chokitup, aiming to aware the importance of hygiene among the villagers. The program involved the distribution of essential health and hygiene products, including Dettol soap, dishwasher soap, Surf Excel cloth washer powder, and hand wash liquid.

Figure 1: Glimpse of the students engaging in the Extension Activity

A total of 27 students from the Department of Economics and 13 students from the Dept of English enthusiastically participated in this initiative, contributing to its success. The active involvement of these students not only facilitated the distribution of the hygiene related items but also allowed for valuable interactions with the villagers. The program emphasized the significance of maintaining good health and hygiene practices within the community.
