**Action Taken Report of Teachers' Feedback Analysis for the Session: 2022-23**

Suggestions	Action Taken
1. The curriculum needs to be customized to focus on skill-based learning to equip students for the evolving demands of the job market.	1. The college authority shall open more skill oriented courses.
2. Students should participate in a variety of practical training sessions and skill-building programs.	2. The authority focuses various hands-on training and skill development programmes.
3. Increased emphasis should be placed on fostering entrepreneurship by providing students with more exposure to it.	3. MoU has been signed with other organizations so as to provide exposure to the students in entrepreneurship development.

### **Action Taken Report of Alumni Feedback Analysis for the Session: 2022-23**

Suggestions	Action Taken
1) The college administration should prioritize enhancing the institution's infrastructure, as it fulfills a crucial requirement for students in their educational journey.	1) The infrastructure is under development, aided by RUSA Grants.
2) Efforts should be made by the relevant authorities to devise tactics aimed at boosting participation in co-curricular activities among students.	2) The authorities concerned make it feasible for students to take part in extra-curricular events organized by parent university, as well as in and around the town. Furthermore, programmes are organized to allow them exposure within the college premises.
3) Significant enhancements are necessary for the canteen facilities to better serve the needs of both students and faculty members.	3) The Canteen is under renovation with new facilities being added to a brand new building to meet the requirements of the student body as well as the faculty. The authority instructed the canteen owner to improve the quality of food so that

	the nutritious sustenance can be provided to all.
